

2018 Winter Team Pennant FORMAT Changes

Important Notice

The Committee has been working of Changing the format of our Weekly Team Pennants.

It has become very noticeable the difference in playing standard between the top & bottom teams in each grade.

We will have 5 grades and 8 teams per grade. (39 teams registered)

As a result of these changes the bottom teams in each grade will fall into the top of the grade below. You will notice that as we go down the grades the number of bottom teams which move, will increase (3 from Premier to A, 5 from A grade to B grade, 7 from B grade to C grade & 8 from C grade to D grade).

We expect if teams perform to their best it will be a very close competition.

IMPORTANT IMPORTANT NOTICE

The 2018 Winter Team Pennant will start on the 24th July 2018.

The final GRADING of TEAMS has been loaded onto our website. .

If you are not happy with your grading and would like it reviewed, please put your reasons why to the committee in writing” and email them to info@sstt.org.au as soon as possible.
